2010

## Stewards are at it again!

We have done it again! This was our 8th straight year of funding projects that have made an impact on Beaumont Scout Reservation. Below is a listing of what the Stewards have voted on for 2010 at Beaumont. We need to have a greater impact. We need to increase membership. As members we need to get the word out to all Scouters, troops and the community. We have a great program and need to let people know what we have and are doing to help Beaumont. Let's keep a good thing going. Please help get the word out.
